SUMMARY

Synopsis of Bill

Senate Bill 135 appropriates \$300.0 to institute leadership academies statewide for level 3A teachers and level 3B administrators in public schools, including charter schools.

Significant Issues

According to PED, Senate Bill 135 provides support for training school leaders, not preparation programs for administrators. A school leadership function would include models of supervision and evaluation and how to organize teachers in a school in order to assure student success.

FISCAL IMPLICATIONS

Senate Bill 135 appropriates \$300.0 from the general fund for FY05 and FY06 and is recurring. The bill contains an emergency clause.

ADMINISTRATIVE IMPLICATIONS

PED indicates that academy management would be implemented through professional contracted service providers.
